## Experience • Responsiveness • Partners

The Orion Association Program is a full-service credit card processing program offering multiple payment solutions and discounted pricing for associations.

Orion is different from other merchant services companies you may have encountered. While our focus is always on providing the highest level of products and services to our customers, we are also committed to supporting associations and their members.

We provide:

- reduced credit card discount and transaction costs to lower their operating costs
- facilitate with dues collections, fund raisers, and more.
- a generous “give back” of the association’s credit card processing costs as a donation to the association
- a generous “give back” of a referral business’ credit card processing costs as a donation to the association from referrals that join Orion.

- increased association awareness
- new revenue opportunities

Orion’s mission is to increase your Association’s product offering, reduce your business members’ expenses, and increase your bottom line.

### Referrals Impact Your Bottom Line

Our exceptional referral program:

- supplements an association’s fundraising efforts
- increases association awareness
- expands revenue opportunities

All associations and referral businesses - large or small - can take advantage of this positive, and unique, way of giving back!
